

Group 2 is offering SLS and CLC courses at Moffett Federal Airfield in Mt View, CA on Feb 24-25, 2007. These courses are open to all interested CAP officers who meet the following minimum requirements:

- For SLS you must have completed Level I training and be actively working on a specialty track.
- For CLC you must have completed Level II which includes SLS.

The cost for the course is \$40.

Attendees traveling from out of the area are encouraged to arrive Friday night Feb. 23rd so they can be refreshed and ready for class early Saturday morning. Accommodations are available at the NASA Exchange Lodge (NEL). If you would like to reserve a room, please add that information in your request email (or in the additional comments section of the CAPF 17). Confirmation and additional information will be sent with your acceptance notice.

Rooms rates are:

\$55 (Bldg 19) w/TV & phone

\$45 (Bldg 583A&B) no TV/phone but fridge, microwave & coffeemaker

Add \$5 for each additional room occupant other than 1 (up to 3)

A special activity (TBD) is planned for Saturday evening. If you think you would like to participate that evening, please add a note to that effect in your request email (or in the additional comments section of the CAPF 17).

Complete the attached CAPF 17, being sure to indicate which course you will be attending (SLS or CLC) and email to: jsena@mindspring.com.

Mail your payment of \$40 payable to CAWG and mail to:

Coby Sena, 2d Lt CAP
2975 Silverland Dr >San Jose, CA 95135

Completed CAPF 17 forms should be received NLT Feb 10. Payment must be received before start of class. (Note: Your space in the class is not confirmed until payment is received.)

SPECIAL NOTE TO THOSE FLYING IN WITH A PRIVATE OR CAP AIRCRAFT:

Moffett Federal Airfield (KNUQ) is a NASA/Federal facility and requires pre-approval for landing. Please email jsena@mindspring.com ASAP to receive additional instructions. Landing requests will not be accepted after Feb 15.

We look forward to seeing you in February and in assisting you in your professional development.
